WEYERHAEUSER EDGE GOLD™ PREMIUM FLOOR PANELS

Quality builders rely on Weyerhaeuser Edge Gold™ panels for good reason. They're tough enough to stand up to weather during construction delays. Each panel is fully sanded and engineered to start flat and stay flat with a fastening template for easy installation. And with built-in drains for rainwater and a 200-day no-sand guarantee, you have even less to worry about.

- 50-year warranty
- 200-day no-sand guarantee
- Patented Down Pore® self-draining technology
- Fully sanded face for uniform thickness
- Easy-fitting tongue-and-groove
- Every panel ships working-side up

THE PANEL OF EXPERTS IN FAIR WEATHER OR FOUL.

Weyerhaeuser Edge Gold™ panels don't just start flat, install flat and stay flat. Thanks to patented Down Pore® self-draining technology and a proprietary edge seal, our panels withstand the elements so well that they can allow some framers to extend their building season. Plus, Edge Gold panels come with the added benefit of a 50-year limited warranty and a 200-day no-sand guarantee when used as directed.

The best builders are always looking for new ways to cut down on job cycle times, increase profitability, and minimize callbacks. That's why we've added Down Pore® self-draining technology on the edge of every panel. The face of every panel is stamped with a fastening template and each bundle ships face-up, ready for easy and accurate installation right off the truck.

Even if panels aren't properly gapped, Down Pore® drainage grooves let the water through.

And to make sure the right products are on that truck, TJ-Pro™ Ratings help you customize the specific level of quality and performance your customers want—using the most cost-effective combination of TJI® joists, TimberStrand® LSL rim board, and Weyerhaeuser Edge Gold floor panels.

"Weyerhaeuser Edge Gold panels are excellent quality, priced competitively and we never have issues. Customers ask for Edge Gold by name and we love selling it! Edge Gold panels complete the total Trus Joist floor system that we promote."

—Rick Acker, Frasers Pro Home Centre, Berwick, NS

No sanding. No delamination. We guarantee it.
