

# I-Span

PVC Interior Wall & Ceiling Liner System

ABTCO has been committed to developing products of the highest quality fulfilling our customers distinctive needs. Our I-Span Interior Wall System is cost effective and perfect for car washes, commercial kitchens, bathrooms, indoor swimming pool areas, veterinary clinics, kennels, garages, dairy barns, poultry barns and a multitude of other applications.

- ◆ Thicker face layer than competition!
- ◆ 8', 10', 12', 16' & 20' lengths, 16" wide panels
- ◆ Panels are smooth allowing a low adhesion for dirt
- ◆ Meets FDA requirements for walls and ceilings
- ◆ Outstanding resistance to chemicals and moisture
- ◆ Relatively low-to-no maintenance
- ◆ No exposed fasteners
- ◆ Bright white panels
- ◆ Light weight
- ◆ Ltd. lifetime warranty
