

panel products from patriot timber

SurePly®

U.S. Patents
8,414,996 and
9,242,391

Premium Underlayment

50 pcs/unit, sold by the unit and job-lot

Patriot Timber Products offers two warranted plywood underlayment options. The first is **SurePly® Premium Underlayment**. **SurePly® Premium Underlayment** is backed by a Lifetime Warranty for residential and non-rated commercial applications. The “x” stencil pattern on the face of the underlayment panel provides the installer or homeowner with a guide for fastener attachment. **SurePly® Premium Underlayment** is approved by four major vinyl manufacturers and the TCNA (extra heavy rating) for use under ceramic tile. **SurePly®** has been manufactured since 1990.

IronPly®

U.S. Patents
8,414,996 and
9,242,391

Premium Underlayment

50 pcs/unit, sold by the unit and job-lot

IronPly® Premium Underlayment is backed by a Lifetime Warranty for residential applications. This plywood underlayment panel also has the “x” stencil pattern on the face for ease of installation. **IronPly® Premium Underlayment** goes through the same inspection process as the **SurePly® Premium Underlayment**, but is offered at a lower price point giving customers more options in the plywood underlayment market.

RevolutionPly®

U.S. Patents 8,414,996 and 9,242,391

100 pcs/unit, sold by the unit and job-lot

Patriot Timber Products also offers a third plywood underlayment alternative, **RevolutionPly® plywood**. This panel is an economically priced lauan substitute. **RevolutionPly® plywood**, like **SurePly® Premium Underlayment** and **IronPly® Premium Underlayment**, is a green panel. **RevolutionPly® plywood** is the only lauan substitute that is approved by major flooring manufactures. Every panel has an A grade face veneer.
